

OKE BC

EUROPEAN COOPERATION

Grassroots basketball. Youth development. Education through sport.

EU PIC 868474951

WHO WE ARE

OKE BC (Elefsina Basketball Club) is a community basketball club founded in 1995 in Elefsina, Greece. Our philosophy, "We Are Family", connects sport with care, teamwork, responsibility and personal development.

OUR CAPACITY

Youth development and basketball education; education through sport; coaching and knowledge exchange; community engagement; digital transformation; member participation and governance.

EU PRIORITIES

We seek cooperation around inclusion and equal opportunities, youth participation, healthy and active lifestyles, skills development, good governance, digital transition and environmentally responsible sport.

WHAT WE BRING TO A CONSORTIUM

A grassroots sports perspective; a local setting for pilots and implementation; access to athletes, coaches, parents and volunteers; community engagement and dissemination through club activities and communication channels. Scope and resources are agreed with each partnership.

PARTNERSHIP OPPORTUNITIES

We welcome dialogue on Erasmus+ Sport and other relevant European programmes with sports clubs, federations, universities, public bodies, NGOs and organisations working in education, youth, inclusion and innovation.

LET'S COOPERATE

Share your project idea, intended outcomes, proposed role and timeline. We can explore how OKE BC may contribute to your consortium.
